ARRESTS FOR TREASON.—Several ex-Confederate military and civil officers have been arrested lately by direction of the United States Court of Appeals. Colonel Jack Allen, of Shelby County, John J. Morris, of Hopkinton, former Provost Marshal of Kentucky, Mr. Lewis Garsh, and the General Bell, are among the most prominent citizens taken into custody. These gentlemen were brought to this city by one of the United States Marshals yesterday, and are now on parole. The charge of treason has been preferred against them, and it is understood that they will be held over at the ensuing term of the Circuit Court. Several other persons, who we do not know, were arrested at the same time and place as the above-named gentlemen. When the Court meets, we shall see what we shall see.

NEWS IN ADVANCE.—The very "blackness of darkness" pervaded the City Court-room at 8 o'clock yesterday evening. Twenty-four negroes, male and female, arrested by the military authorities at a house on Broadway, near Eleventh street, were turned over to the civil power. They were tried before J. Hop Price, Esq., acting judge, found guilty of the most abominable crimes, in default of \$200 each bail, were sent to the Workhouse. Mr. Kirkpatrick, the Workhouse keeper, in a rare time getting the obstreperous negroes into quarters at his institution. In making this sweeping arrest the military authorities did a most judicious thing, and we trust they will continue to aid our civil officers in stamping the negro debauchery and crime which disgrace many portions of our fair city.

ATTEMPTED ROBBERY AND MURDER NEAR FRANKLIN.—A correspondent at Franklin informs us that on Wednesday night last a party of robbers and murderers went to the house of Mr. Stinson, about eight miles east of Franklin, and demanded of him three hundred dollars. He refused to give up any sum equal to their insolent demands, so they despatched him with a revolver and delivered a murderous fire upon a negro man and woman who were in the employ of Mr. St. S. The woman was mortally wounded, and the man very seriously wounded. The villain made their escape.

INFORMATION WANTED.—The family and friends of John T. Leslie, a young man aged about twenty-six years, a carpenter by profession, and a native of Guelph, Canada West, are anxious to hear of his present whereabouts. When last heard from he was in the employ of the Government as a carpenter, December, 1865. Any intelligence in regard to the young man may be communicated to Capt. Alex. Gilman, Chief of Police, of this city. Newspapers disposed to copy this will confer a great favor by so doing.

SACRED MUSIC.—Mr. D. F. Faulds, the enterprising music publisher of Louisville, has just issued a new piece of sacred music, composed by that accomplished and successful artist Professor William P. Fato. It is entitled "Exultation," designed as a morning service, and is dedicated to the memory of Gen. Lee, and is inscribed to the Rev. Charles E. Quintard, Bishop of the Diocese of Tennessee, who is at present in the city. We return many thanks to Mr. Faulds for a copy of this beautiful quartet.

BENJAMIN.—A little white girl, six or seven years of age, was enticed into one of the corners in the rear of the city, yesterday evening, by a boy, a man who had disguised her person in the most seductive manner. The child, whose name or parents we do not know, was found by some passer-by and placed in the hands of a physician. She was found to be in a very serious condition. The double-debating barbarian who perpetrated this diabolical act should, if caught, be hung to the nearest tree or lamp-post.

THE CREDITED CARNEY SETT DECIDED.—The suit of Sally B. Carney against James G. Lester's heirs and others, involving five thousand dollars of land in the upper part of Campbell county, in this State, on which there are about one hundred tenets, who were defrauded to the suit, and which has been pending for nearly two years, was decided by Judge Doniphin in favor of the defendants—dismissing the petition of Mrs. Carney, and the cross petition of Bell & Rosford.

DISTINGUISHED HONOR.—Mr. John Brigham was the recipient of an unusual honor on the occasion of his birth last night. He was entertained, both at the Theater and at his hotel, by the band of the 2d regiment, detailed by Colored Jenkins and the officers, as a compliment to a gentleman who has done so much for the American drama. Mr. B. expressed himself exceedingly gratified by the public mark of esteem.

PATRONAGE.—At the request of the Quartermaster-General the pay of the following Kentucky officers, among numerous others, has been stopped until they render the Quartermaster's Department the returns and accounts required of them by law: Lieutenant W. C. Alcorn, 2d Kentucky cavalry; Lieutenant W. H. Bryson, A. A. Q. M., 6th Kentucky cavalry; Lieutenant J. F. Frasier, 12th Kentucky cavalry.

MEMPHIS TO-DAY.—The regular packet boat, the "Memphis," for Atlanta, will take her place in the Memphis to-day, clearing from Portland at 10 o'clock P. M. Her elegant new furniture and outfit were put aboard yesterday, and she will skim the waves like a seagull.

ANOTHER CONVICT ESCAPED.—Samuel Remey, one of the burglars who broke into and robbed the stores of Wolff & Durstens of this city, a short while ago, and for which he was convicted to serve five years in the penitentiary, yesterday received a pardon from Governor Bumett.

NEW YORK STORE.—Mr. S. Becker, of the celebrated New York store, on Fourth street, designs making extensive alterations in his house, and before commencing the work of improvement he will offer a large part of his stock at great bargains. See advertisement.

RETRY.—STEWART.—One of the negro gamblers brought before the Polk Court yesterday, was arrested by Officer Ellsworth for having committed perjury. He is in jail awaiting examination this morning.

ACCUSAL OF BARBARA ALLWELLER.—The young girl, Barbara Allweller, charged with causing the death of her own infant about two weeks since, had a preliminary trial in the City Court yesterday morning, and was acquitted.

THE CHANCERY COURT.—Three divorce cases held its regular weekly session yesterday. Three divorces were granted, and the usual probate business transacted, none of which we consider of sufficient importance to publish.

CAPT. SPALDING.—Capt. Spalding, of the city police, left on the morning train yesterday for Cincinnati, having in charge the escaped felon Anton Gough, who was condemned to the proper officer of that city.

THE CIRCUIT COURT.—During the present term of the Jefferson Circuit Court, which terminates to-day, Judge Johnston will perform the solemn duty of pronouncing sentence upon the numerous parties who stand convicted of high crime and misdemeanors.

TWO MORE THIEVES.—John W. Anderson and John Lynch were committed to jail yesterday for being concerned in the robbery on board the steamer Argosy on Thursday. They were arrested by Officer Hammon.

PROSECUT.—STEWART.—Richard Stewart, one of the negro gamblers brought before the Polk Court yesterday, was arrested by Officer Ellsworth for having committed perjury. He is in jail awaiting examination this morning.

ACCUSAL OF BARBARA ALLWELLER.—The young girl, Barbara Allweller, charged with causing the death of her own infant about two weeks since, had a preliminary trial in the City Court yesterday morning, and was acquitted.

THE MAN DUR.—The man Dur, who murdered a Mr. Bruce near Franklin, Ky., on Saturday last, had a preliminary examination on Wednesday and was committed for further trial.

THE GEORGE SPEAKER.—He is charged before the Police Court with the larceny of a watch and chain from Henry Middlehoff, a grocer of Louisville.

Amusements.

Louisville THEATER.—The house was quite packed last night. Many of the more beautiful and refined ladies of the city, attended by the great majority of the nobility, were present at the opening, and creating a scene of highest pleasure in the looks of the audience.

Various measures for the relief of living rebels, and of the families of such as were killed in battle, are before the Georgia Legislature.

Mr. Lewis Garsh, and the General Bell, are among the most prominent citizens taken into custody. These gentlemen were brought to this city by one of the United States Marshals yesterday, and are now on parole. The charge of treason has been preferred against them, and it is understood that they will be held over at the ensuing term of the Circuit Court.

Our men, who were arrested at the same time and place as the above-named gentlemen, when the Court meets, we shall see what we shall see.

NEWS IN ADVANCE.—The very "blackness of darkness" pervaded the City Court-room at 8 o'clock yesterday evening. Twenty-four negroes, male and female, arrested by the military authorities at a house on Broadway, near Eleventh street, were turned over to the civil power.

Their conduct was as bad as their conduct in the civil power. They were tried before J. Hop Price, Esq., acting judge, found guilty of the most abominable crimes, in default of \$200 each bail, were sent to the Workhouse.

Mr. Kirkpatrick, the Workhouse keeper, in a rare time getting the obstreperous negroes into quarters at his institution.

In making this sweeping arrest the military authorities did a most judicious thing, and we trust they will continue to aid our civil officers in stamping the negro debauchery and crime which disgrace many portions of our fair city.

ATTEMPTED ROBBERY AND MURDER NEAR FRANKLIN.—A correspondent at Franklin informs us that on Wednesday night last a party of robbers and murderers went to the house of Mr. Stinson, about eight miles east of Franklin, and demanded of him three hundred dollars. He refused to give up any sum equal to their insolent demands, so they despatched him with a revolver and delivered a murderous fire upon a negro man and woman who were in the employ of Mr. St. S. The woman was mortally wounded, and the man very seriously wounded. The villain made their escape.

WOMEN IN ADVANCE.—The Chicago Journal says that Ellen O'Malley, Head Queen of the Peacock Society, who is now in Ireland, is to be married to a man from her native town.

The Peacock Society, consisting of Captain and Kitchen Furniture, consisting of Captains, Soldiers, Officers, Dragoons, Bands, Bandsmen, Bands and Drummers, Cooking Range and Fixtures, too numerous to mention, and a great many other articles, the details of which are to be given in the paper.

The Peacock Society is to be organized at Louisville, Ky., on Friday evening.
